

Letter of Permission for Installation of Services

This authorizes Midcontinent Communications® (also known as Midco®) to install services at the following location:

Address _____

City _____ State _____ Zip _____

Property Owner Name _____ Phone (_____) _____

I, _____ give permission for Midco to install services at the property listed above. This installation could include, but is not limited to, the following:

- Drilling an entry hole in a wall, window or door frame (may affect window or door warranty)
- Tacking cable on the outside of the building
- Mounting a cable box on the side of the building
- Attaching service drop to the building
- Attaching ground wire to the side of the building
- Digging a trench from the building to the pedestal*
- Attaching support equipment which holds a radio to the roof of the building
- Placing a temporary service cable on the ground**

All of the above will be done in agreement with the owner of the property.

**If line to be buried is in a rural area, ownership and responsibility for the line, once buried, is with the Owner(s).*

***Midco may place a temporary service cable on the ground that may need to be buried. We will work to ensure that your property is returned to its normal condition after the work is complete.*

If you have any questions, please call Midco at 1.800.888.1300.
